# LETTER OF RECOMMENDATION

[courses@hrohour.in](mailto:courses@hrohour.in)

## TO WHOM IT MAY CONCERN

I am writing to wholeheartedly recommend **Rishika Maheshwary** for their exemplary participation in the Shadow Counseling Internship organized by HR'O' HOUR. Throughout the duration of this intensive and experiential training program, Rishika Maheshwary demonstrated outstanding commitment, empathy, and professionalism in their approach to learning and applying core therapeutic skills.

The course began with foundational clinical skills, wherein the students were trained in Case History Taking and conducting a comprehensive Mental Status Examination (MSE). These essential tools laid the groundwork for the therapeutic interventions that followed, enabling students to understand their clients from a biopsychosocial perspective.

As the course progressed, Rishika Maheshwary was introduced to several evidence-based psychotherapeutic approaches, including:

- Cognitive Behavioral Therapy (CBT)
- Rational Emotive Behavior Therapy (REBT)
- Solution-Focused Brief Therapy (SFBT)
- Emotion-Focused Therapy (EFT)
- Dialectical Behavior Therapy (DBT)

After acquiring theoretical and practical understanding of these modalities, they applied these interventions under guided supervision in real-client settings, showcasing the ability to tailor approaches to client-specific concerns effectively.

In addition to therapeutic models, Rishika Maheshwary was trained in multiple relaxation and grounding techniques, which included:

- Progressive Muscle Relaxation (PMR)
- Various Breathing Exercises (deep breathing, box breathing, alternate nostril breathing, etc.)
- Grounding Techniques (5-4-3-2-1 method, sensory redirection, etc.)

These techniques were skillfully integrated into sessions to manage client anxiety, emotional dysregulation, and stress-related responses.

The course also involved intensive Role Play Sessions that simulated diverse client scenarios. These exercises allowed Rishika Maheshwary to build a strong therapeutic presence, refine active listening and rapport-building skills, and respond empathetically to client narratives.

In summary, Rishika Maheshwary completed this shadow counseling course with a high level of professionalism, compassion, and ethical understanding. I am confident that they will be an asset to any clinical, academic, or research setting they chooses to pursue.

Sincerely,

*Srishti Sengupta*

To Whom It May Concern:

It gives me great pleasure to write this letter of recommendation for Ms Rishika, who is applying FOR THE COLLEGE PROJECT. I have known her for two years in my capacity as a course facilitator for General Psychology and Psychological Statistics in Bachelor's in Psychology programme at the Kumaraguru College of Liberal Arts and Science, Coimbatore.

Rishika is an extremely talented student with tremendous determination and focus. Her versatility of interest across disciplines such as psychology, counselling and theatre is her strength. Her communicative and reflective nature bring unique contributions to the table, adding perspectives and significance. During her internship and volunteering engagements in therapy, psychometric assessments and peer mentoring and training, she has utilized her fullest potential to acquire knowledge and serve the communities. Rishika performed very well in her courses and conducted her psychological statistics project in a collaborative, yet independent and highly resourceful way. Her multidisciplinary approach to the project was commendable. It is no surprise to me that these efforts have culminated in earning her the institution's highest academic scholarship for the year 2023 – 24.

It must be clear that I value Rishika's intellectual contributions extremely highly. She is also a genuinely warm and caring person, who is highly regarded by her peers as well as by members of staff. Her intellect is rare, and I am confident that she will be an asset to the programme. I recommend her enthusiastically and without reservations.
